Rescheduled: RETIREMENT PLANNING FORUM

Planning for a successful retirement is a complicated, yet achievable goal. This 2 ½ hour Retirement Planning Forum is designed to help you gather as much information as possible about your retirement opportunities from both the Cambridge Retirement System and from Social Security. Our experts will provide an overview of retirement planning, discuss the impact of any recent changes and introduce tools to help determine estimates of your Social Security benefit and Cambridge Retirement benefits at various ages and years of employment.
